Attention: Mr. Peter May

Dear Sir:

Thank you for considering our Company to handle your display for the American Museum of Natural History.

For your approval I have prepared our quotation on the basis of providing the following services:

- . Dedicated crew of six professional drivers and assistants to load, travel to New York and unload display as required.
- . Two air ride tractor trailers fully equipped with necessary logistics, decking and pads.
- . Customs brokerage fees will be your responsibility.
- . Loading: November 7, 1991
Delivery: November 11, 1991

Exact times to be determined.

Our Firm has previous experience in handling high value exhibits such as yours and for your information I have included a couple of references:
